## Camp life

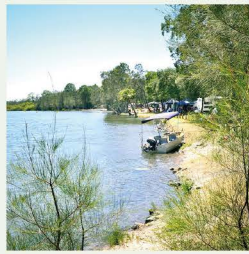

We have been busy on initiatives to make your stay at MRC more enjoyable.

- **Upgraded Riverfront Sites**  
Our 27 prime riverfront sites have been upgraded with their own shade cloth with fire pits also available if required. Available from the bottom office, a \$50 deposit is required on collection of the fire pit, fully refundable on return.
- **Online Bookings**  
Online bookings have been successfully introduced for our prime riverfront sites giving you the chance to plan and book ahead. The rest of park still operates on a first come, first served basis for those wanting the flexibility.
- **Campfire Kits**  
Our fire starter buckets will also be available for \$5 which includes kindling, fire starters, matches and paper you even get to keep the bucket. We have bags of wood for \$15 from both check in areas.
